

# IGNITE

OUR HEARTS | OUR PRESENCE | OUR FUTURE

## The Vision

Cathy and I are proud to be part of Journey Mennonite Church for the last 22yrs. From our first time with the congregation at Camp Mennoscah to today, we have felt like this was a great place for us. Certainly it hasn't all been easy, but today as I reflect on God's leading it has been an honor and a privilege to be co-workers with God and with you. Together we have seen God rewrite and enlarge our story. Twenty-two years ago none of us would have imagined what God wanted to do in us and through us. We've gone from one worship service to 5 worship opportunities in 3 different locations. For this I am extremely thankful to God and to you.

God has pressed into us his missionary, sending heart. We see it from God's call to Abram in Genesis 12 to Jesus' call to his disciples in John: **"As the Father has sent me I am sending you."** From this, God has burned in our hearts a vision for the next chapter of the JMC's story: **To be SENT: becoming missionaries where we live, work, and play.**

God is giving us an opportunity to write a chapter that will have huge impact on several levels;

1. Personal level: God is calling us see ourselves as missionaries right where we are.

2. Family level: God is inviting some of us and our families to step into missionary roles we never dreamed possible. Our involvement will have impact for generations.

3. Journey level: God wants us at JMC to see ourselves as a place of welcome, where there is a high value on relationships.

4. Community level: As missionaries, we will seek ways we can join the communities where we are planted and offer our facilities as resources to make a difference.

We are thankful for the opportunities that God is giving us to make an impact now and for the next generation.

I invite you to join me as God writes the next chapter in us and through us,

*Pastor Howard*

# IGNITE

OUR HEARTS | OUR PRESENCE | OUR FUTURE

Prayerfully join me in inviting God to:

- Ignite our "Hearts" with His love
- Ignite our "Presence" to see our communities as called out missionaries.
- Ignite our "Future" with creativity and passion.

And to say: thank You God for the amazing ways you have lead in the past and what you are doing in the present...give us the faith to take steps in the future that will best represent, *"the world you so loved, and still do"*.

## OUR HEARTS

God has called us to live lives that matter. We want God to ignite our hearts for Him, His Kingdom, & the people around us! Our mission is to worship fully, connect with others, grow in Christ and serve with passion. We believe that when we do these things, God compels us to spread His love to the world by being missionaries where we live, work & play! We want to be a congregation that has God's love radiating from us, and to live lives that point to the incredible, transforming power of our great God!

Worship

Connect  
*with others*

Grow  
*in Christ*

Serve  
*with Passion*

# OUR PRESENCE

God has called us to be missionaries right where we are. We are excited to be placed in McPherson, South Hutchinson & Yoder. We want God to ignite our presence in these communities! We give God all that we have and believe that He will use our locations, facilities and ministries to bless those around us. We have a dream that our campuses will be used equally during the week as on the weekends, believing that the relationships that are built will draw people to the hope and love of Jesus.

# JOURNEY KIDS

## OUR FUTURE

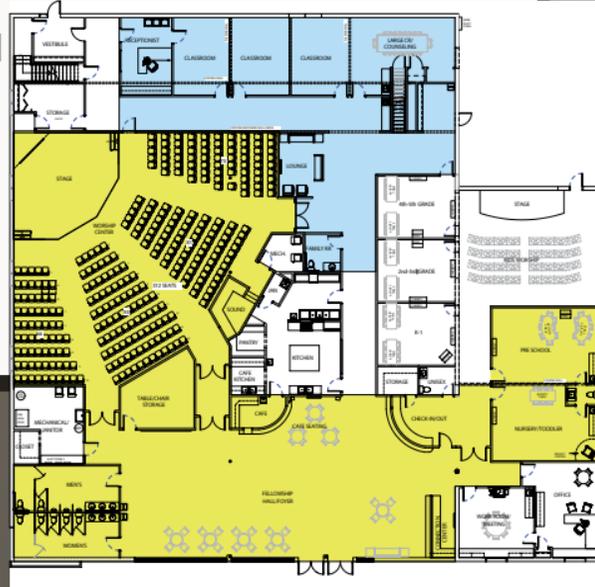

We have an amazing history of God moving in and through Journey Mennonite Church, but we believe God is not done with us yet. The risk, the faith, and the stories of Journey are not only in our past, but are yet to come. We believe that God is calling us to continue doing mighty things and to invest in the lives of our future missionaries yet to come!

Between the ages of 4 and 13 is the most likely time that an individual will commit their life to Jesus as their Lord and Savior. We want to make the most of this window of opportunity and share the love of Jesus with as many children as possible! - *Pastor Sheri*

*JourneyKids is a vibrant and energetic ministry that needs a space to match!*

Our first mobile campus has quickly outgrown their rented space and has an exciting future! The Ignite Initiative (yellow) will include a bright, open fellowship/foyer, a contemporary worship center with seating for up to 300, new restrooms, and a safe, vibrant area for JourneyKIDS. The Master Plan will include versatile meeting rooms, a full kitchen, a designated space for JourneyYOUTH and a visible office area for current and future staff.

# JOURNEY

@South Hutchinson

For more than 40 years the South Hutch Campus has been a place where people have gathered to worship, connect, grow and serve. Through Ignite, we want to position ourselves for the next 40! This includes making much needed upgrades to our worship technology and creating vibrant and secure environments for JourneyKIDS. New construction will provide versatile space for classrooms, gym and large church and community events. We are also excited to partner with the City of South Hutchinson in the creation of a Wellness Center.

# JOURNEY

@Yoder

Our Yoder campus has great potential to reach kids and young families. The lower level renovation will provide space to equip our next generation of missionaries. It includes heating & cooling, bright lighting, colorful paint and furniture, flooring and technology.

YELLOW= IGNITE WHITE = MASTER PLAN

Several years ago South Hutchinson Mennonite Church felt the call from God to do something different and followed Him into uncharted waters by opening a campus at a different location. God has been incredibly faithful and has taken us to amazing and unexpected places as our congregation has grown to be Journey Mennonite, a multi-site church with 3 locations. *We want to be ready to go where He calls us to next.*

## IGNITE = \$2.4 MILLION

Construction of the shown projects (areas in yellow on preceding pages) will develop needed ministry space at all three campuses. While we are gaining a lot of good usable space (over 30,000 square feet), not all of it will be finished with Ignite. Any money raised beyond 2.4 million will be used for the Master Plan.

## THE MASTER PLAN

We expect to complete these projects (areas shown in white) as God continues to lead us in faith. While we have ideas and are making plans, our experience has shown that sometimes God has better ones. Our Master Plan is always submissive to the Master's Plan.

## COMMUNITY PARTNERSHIPS

Our hope is that some of the space (areas shown in blue), will be completed in partnership with community organizations.

## OUR PART: SACRIFICIAL GIVING

We want to help solve some of our current space and structural issues, but IGNITE is so much more than that! We want to learn what it means to give sacrificially to something we believe in. We want to experience God in new ways. We want to learn how to ask God what He wants from us, listen for His answer, and then follow in obedience; walking with the faith that God will see us through. We want to be able to say

*"I will not offer to God that which costs me nothing"*  
1 Samuel 24:24

AND MEAN IT!

So how do we do that? Here are a few ideas to get you started:

**PRAY** | Pray for God's guidance with an open mind. Ask God to place an amount on your heart to give to IGNITE.

**STUDY** | Study Bible examples and principals of giving and stewardship. Join us Sunday mornings as we study together!

**ASK** | Ask, "What does sacrificial giving mean to me?"

Ask yourself what amount you desire to give and what you believe God could provide for you to give. If you are married, talk about it! If you both come up with the same amount (which is rare) commit to that. If not, continue to pray and seek God's direction. If you can't agree on a number, choose the lower amount.

**DECIDE** | Decide to honor God in a sacrificial way. Ask yourself these questions: Is my gift sacrificial? Does this amount require me to expand my faith? Can I give this amount joyfully with a motivation of worshiping God and showing thankfulness?

**COMMIT** | Commit to give joyfully as God provides.

**REJOICE** | Rejoice in the satisfaction of finding and following His will.

## 3-Year Giving Chart

As you prayerfully consider the leading of God's Spirit in making your Commitment, this chart will assist you by demonstrating how your generous contributions may be planned in order to achieve your desired amount. May your heart, mind, and spirit be tuned to the leading of God's Spirit in this decision.

*It will take all of us to accomplish this God-sized dream*

# IGNITE

OUR HEARTS | OUR PRESENCE | OUR FUTURE

God is calling us to take big steps of faith. We do so with excitement because we believe we are sent to be missionaries to reach the world with the knowledge, love, and hope of Christ. This is a God sized dream and we ask God to IGNITE our hearts, our presence, and our future.
